

# WIN Freight Offers

## Cost-effective advertising

WIN Freight Offers is a cost effective way to advertise your services and rates in WIN to a growing network of over 6000 agents.

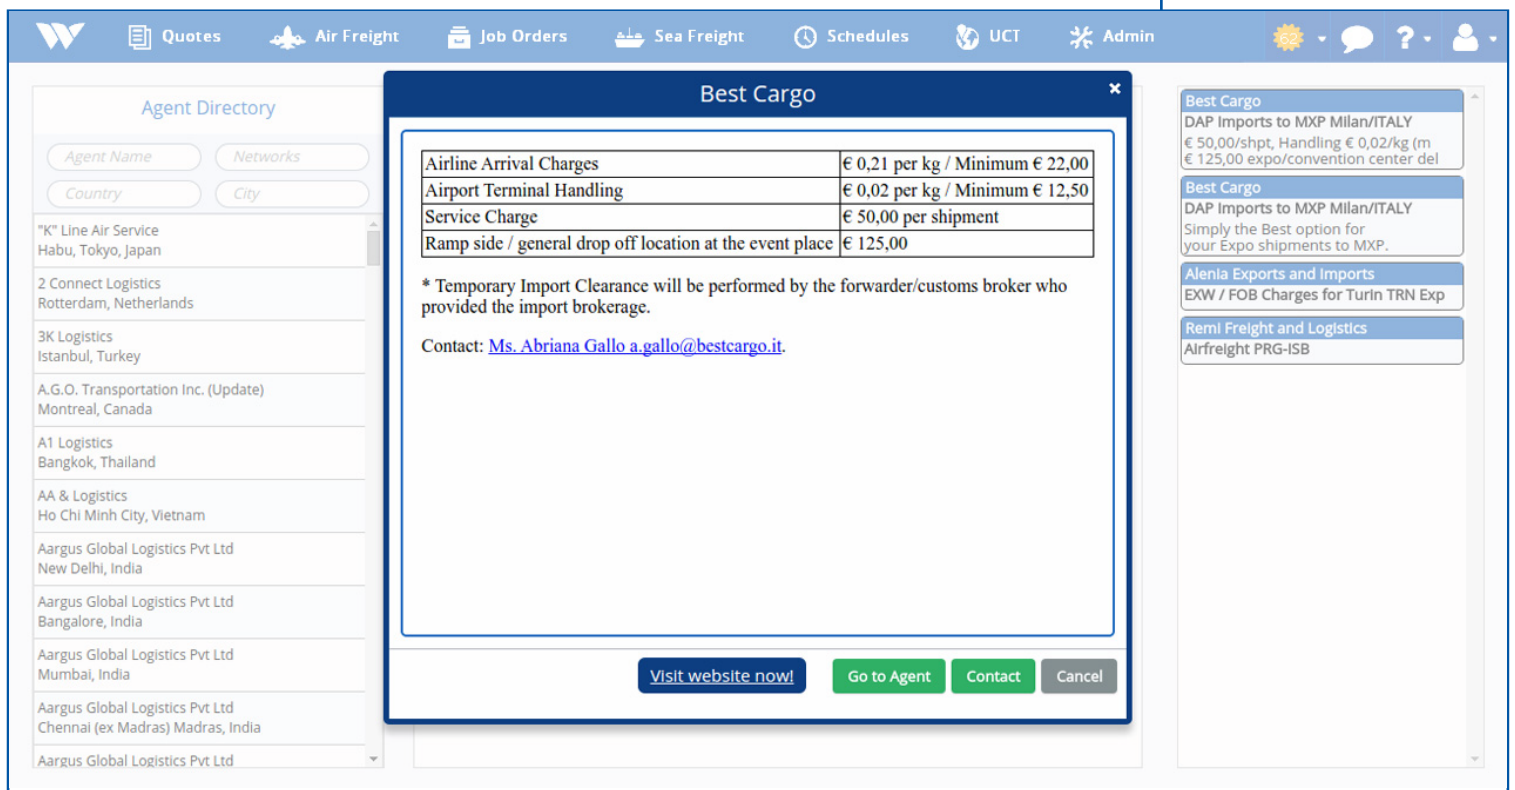

An ad in WIN includes:

- ▶ A banner that can be clicked to expand a pop-up display describing your services and/or rates
- ▶ The option to 'whitelist 'or 'blacklist' countries - Ad to show/not show based on user location
- ▶ Get impression reports and lead capture forms

WIN Offers uses a fair and balanced algorithm to ensure maximum rotation and equal representation for all vendor offer postings.

Only \$50.00 USD a month.
