

WIN Vendor Offers

Advertise in WIN and find new customers today

WIN Vendor Offers is cost effective way to advertise your products within the WIN application which today serves over 6000 companies, with more than 150 agents logging in each day.

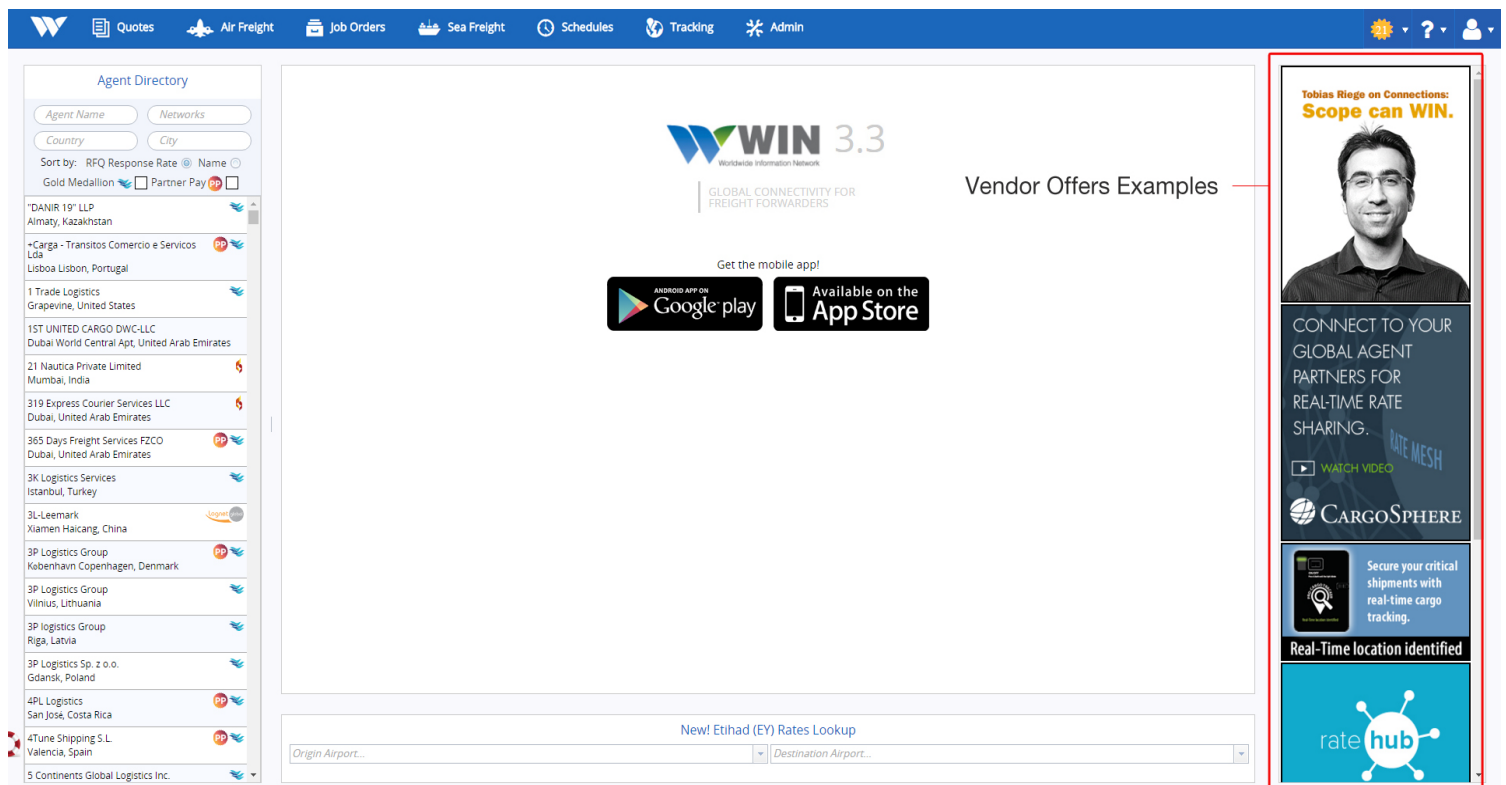

An ad in WIN includes:

- ▶ A banner – Click to expand pop-up / go directory to your website
- ▶ Optional lead capture forms and impression reports
- ▶ Optional 'whitelisting' or 'blacklisting' countries - Ad to show / not show based on user location

Ad sizes:

- ▶ Pxl: 246x146 - 50 USD per month
- ▶ Pxl: 246x246 - 75 USD per month
- ▶ Pxl: 246x296 - 99 USD per month

WIN Offers uses a fair and balanced algorithm to ensure maximum rotation and equal representation for all vendor offer postings.

The screenshot displays the WIN 3.3 application interface. The top navigation bar includes links for Quotes, Air Freight, Job Orders, Sea Freight, Schedules, Tracking, and Admin. The main content area is divided into three sections:

- Agent Directory:** A sidebar on the left with filters for Agent Name, Networks, Country, and City. It lists various logistics companies such as DANIR 19 LLP, Carga - Transitos Comercio e Servicos, and 1 Trade Logistics.
- WIN 3.3:** The central banner area featuring the WIN logo and the tagline "GLOBAL CONNECTIVITY FOR FREIGHT FORWARDERS". It promotes the mobile app with "Get the mobile app!" and "Available on the App Store" buttons.
- Vendor Offers Examples:** A section on the right showing a list of vendor offers. A red box highlights a specific offer for "Tobias Riege on Connections: Scope can WIN." which includes a profile picture and a video thumbnail.

Below the main content area, there is a "New! Etihad (EY) Rates Lookup" section with input fields for "Origin Airport..." and "Destination Airport...".
